

# VIC(TORI)A GREAVES

It is an incredible joy to journey with the ministries of INFEMIT and CETI, which promote holistic processes of theological formation so that people can engage in and seek God's transformation in their communities and around the world. Learning from and serving these organizations, I too engage with my communities in Peru and the U.S., understanding that we all have a vital role to play in God's unfolding story.

**INFEMIT: International Fellowship for Mission as Transformation**

**CETI: Comunidad de Estudios Teológicos Interdisciplinarios**

## WHERE WILL I BE LIVING?

**San Martín Region, Peru**

*With occasional travel to various communities in Peru and other parts of Latin America and the world.*

## WHEN WILL I BE GOING?

This is not a "trip", but a journey to which God has called me. I am moving to Peru and joining these ministries. I will rely on your ongoing prayers and financial support (also subsidized by my organization).

## WHY MISSION AS TRANSFORMATION?

I see *mission* as the Church partnering in God's transforming work in our world in order to enter more fully into God's reign of love and justice. As we journey alongside Christians in Latin America and throughout the world, we are strengthened and challenged to understand and engage more deeply in a redemptive vision that affects family, church, work, and society.

## WHAT WILL I BE DOING?

- Facilitating local small groups that explore theology in and for everyday life.
- Working with a team to coordinate an online Master's degree in theology throughout Latin America.
- Organizing events and communications that foster Gospel-centered reflection and response to global issues.
